THOMSON REUTERS™

## Ilham #VALUE!

Greatly appreciate all your assistance provided within the Lipper Service Team. Your expertise contributed a lot in gaining additional knowledge and improving current processes.

I would also like to take this opportunity to thank you for assisting me on cases I'm totally lost or cannot find the appropriate content team for the resolution. I do read your resolutions/instructions sent through the distribution list (as much as I can) even though it is not intended for my current market as it helps me understand things better.

Again, thank you and looking forward to learn more from you.
